ABOUT US

Team T Construction & Supplier was established in 2016 to address the needs of our clients through the employment of our expertise in the development planning, design, renovating and building. We strive to execute our projects in a manner that contributes towards capacity building in the communities where we operate, creation of sustainable jobs and the transfer of knowledge & skills to local communities. Through our past projects, Team T has become a trusted company through the devoted efforts of our employees.

STRATEGY AND VISION

Our strategy is to provide quality services at designated periods, through our experienced employees and best workmanship. Team T envisions itself becoming a leader in the South African construction industry through job creation thus alleviating poverty in the communities we shall be working in.

BUSINESS VALUES AND GOALS

Our corporate identity, is founded upon a solid set of values that define and set a clear path for us.

MISSION STATEMENT

We provide professional client-focused construction solutions, to go above and beyond on every project and deliver on our promises with integrity.

OUR PASSION

We believe the world is made up of people and it's passion to serve people that eventually translate into collective success.
